#### PAUL JOHNSTON RIP

Paul's funeral service will take place on Thursday 15 January at 11 am here at St Catherine's. At Paul's request, we have been given permission by the Archdiocese to offer a Tridentine Latin Mass at his funeral. Fr David Howell, who knew Paul, will be offering this Mass. Parishioners are welcome to attend. Please continue to pray for Paul and for Daphne, his widow.

#### ROBIN DOREY RIP

Robin's son has written to us. He says: "Robin sadly passed away after a short battle with pneumonia on Christmas Eve. As many parishioners will know, Robin served St Catherine's for many years as a Eucharistic Minister and was also a prominent member of the social committee. Robin is survived by his beloved wife Margaret and their 3 children. The family, in line with Robin's wishes, has taken the tough decision not to tell Margaret, who resides in a care home with dementia & other disabilities, but would take great comfort if the St Catherine's community would keep them both in your prayers."

#### **REFLECTION – THE BAPTISM OF THE LORD**

The Baptism of Jesus is the third manifestation of his divinity and his humanity in the Christmas liturgical period. The first manifestation was the **Nativity** of the baby, the *Word made flesh*; the second was the revelation to the Three Wise Men who came to adore the baby that Christ came to save all nations, not just Israel – the **Epiphany**; and the third is the Baptism of the adult Jesus in the river Jordan by John the Baptist. Here, God is revealed as **Trinity**: the Father in the voice from above, the Holy Spirit in the form of a dove descending on Jesus, and Jesus himself as the beloved Son of God. The Church celebrates these three manifestations. In the Orthodox east, today's feast is known as the *Theophany* – the revelation of Jesus as the Son of God. Now Jesus begins his ministry on earth to bring the Good News of his conquest of sin and death. He begins by proclaiming: "Repent, for the kingdom of heaven is close at hand." Everything has been done for us to reach the kingdom when we die. God has even sacrificed his beloved Son.

**Are we truly prepared to make sacrifices, to live the  
sacramental life of grace, to keep God's  
commandments, to love one another as Christ  
loves us, and to examine our conscience and  
repent so as to reach the kingdom? Or are we  
simply going through the motions? Our salvation  
depends on how we answer this question.**

**PARISH MEETING TO ORGANISE FUNDRAISING  
EVENTS TO MAXIMISE THE OFFER OF  
MATCHED FUNDING – THANKS BE TO GOD**

In case you missed my announcement at Mass last Sunday, a benefactor has offered to match all our fundraising for the next year. Yes, I'm not joking! This is a **terrific boost** to our work to upgrade the parish estate and repair the fabric here and there. It will be a great incentive for our fundraising. The matched funding has already started with the first £3,000 of the Christmas Fair being doubled. As a result, the **Christmas Fair** raised £7,500. **Thank you to all, and to our benefactor**

#### **SUNDAY COLLECTION NOW A WORRY**

While matched funding will help deal with our capital projects in the short term, it will not adequately solve our shortfall in the weekly collection or income. We are currently digging into our reserves to pay for vital day-to-day expenses like utilities, council tax, administration, insurance, staffing and general maintenance, e.g. roof repairs, compulsory health & safety measures. Digging into our reserves which we need for vital capital projects cannot go on. I am therefore going to make every effort to launch a planned giving initiative as spoken before to boost our weekly offering. **The weekly Offertory is just not enough to meet the running expenses of the parish.** The time has come for more of us to consider how much we give to this parish each week. Please do not think that the Diocese steps in to help us. In fact one third of our weekly income is given to the Diocese for its expenses on behalf of all the parishes. Last week the parish Offertory came to just £700. One third of that goes to the Diocese. You can see that what is left is not much to meet our expenses. I shall be calling another one of our quarterly parish meetings soon, delayed by the many events we had in the last two months of last year. You know I understand the financial pressures on everyone. But you need to be aware of the realities of our situation. The best thing to establish a stable revenue to the parish is to donate by bank standing order, and if one is a tax payer, to sign up for Gift Aid which costs each one of us nothing but adds 25% of one's donation to the parish.

**The weekly Sunday collection is a measure of how  
much each one of us values our faith.**

#### **FIRST HOLY COMMUNION PARENTS & CHILDREN'S MEETING TODAY AT 11.15 AM**

We are beginning our First Holy Communion (FHC) course in January. We start with an introductory meeting for parents and children today. The course itself begins next Sunday 18 January 11.15 am to 12.15 pm. As mentioned, it will take place every Sunday except Sundays of school holidays and Half Term. We will work with parents to agree a date in June for the FHC weekend which is convenient for everyone. We very much look forward to beginning the course.
